TRUVIBE

www.rockwithu.com/truvibe/

Truvibe was formed with the inspiration to bring a funky, yet classy jazz feel to both contemporary songs and standards. Incorporating musicians who play with esteemed artists such as Michael Buble, Herbie Hancock, and Dave Matthews Band, they are able to continuously bring their original feel to a multitude of genres. Their widely-inclusive repertoire has brought them to perform in a variety of settings and have been featured at many distinguished venues and organizations.

Truvibe is available in the following arrangements
